(WS) -- At the request of several people, we have designated a Wine Steward **(WS)** at St. Robert's. This designated person is the individual who is to **step up** to receive the cup from Father. It was also suggested that this individual make sure everything has been readied for communion prior to church and/or take charge of preparing the tray. All Eucharist ministers are to help with the communion dishes after the services.

As always if you are not able to fulfill your obligation, it is YOUR responsibility to find a substitute.
